## INTRODUCTION

**ARABIAN MATE** is 100% Saudi owned company founded and established in Jubail Industrial City, Saudi Arabia with a vision and commitment to provide the highest quality services to its respective clients through its Competent and highly experienced personnel, executives and modern facilities using the most advanced technology. We formed with a commitment to provide Engineering & industrial services in the specialized field of Electrical & Instrumentation, Fire & Gas, Electrical Heat Tracing, CCTV and Telecommunication, Mechanical, Civil and Structure works from concept to completion within a stipulated time. Every element of the firm is structured to ensure that it can leverage its global resources and know-how to satisfy each client's specific requirements. The company is also engaged in providing the best, efficient and capable manpower i.e. Engineers, QA/QC Inspectors, Safety Inspectors, Skilled Craftsmen like E&I Technicians, Multi-Welders, General Fitters, Riggers and Semi-skilled manpower.

### Vision

Our Vision is to create and maintain an organization of highly skilled construction professionals that serve our Clients' needs with honesty and integrity. To provide an environment that promotes personal growth and self-pride. Ultimately, to differentiate ourselves as the builder of choice to those seeking quality, personal service, and value.

### Mission

**ARABIAN MATE** is dedicated to providing quality construction, technical and management services to our customers. We will strive to implement a long term relationship with our clients, based on safety, quality, timely service and an anticipation of their needs. To help fulfil this mission, we will treat all employees fairly and involve them in the quality improvement process to insure responsiveness and cost effective work execution.

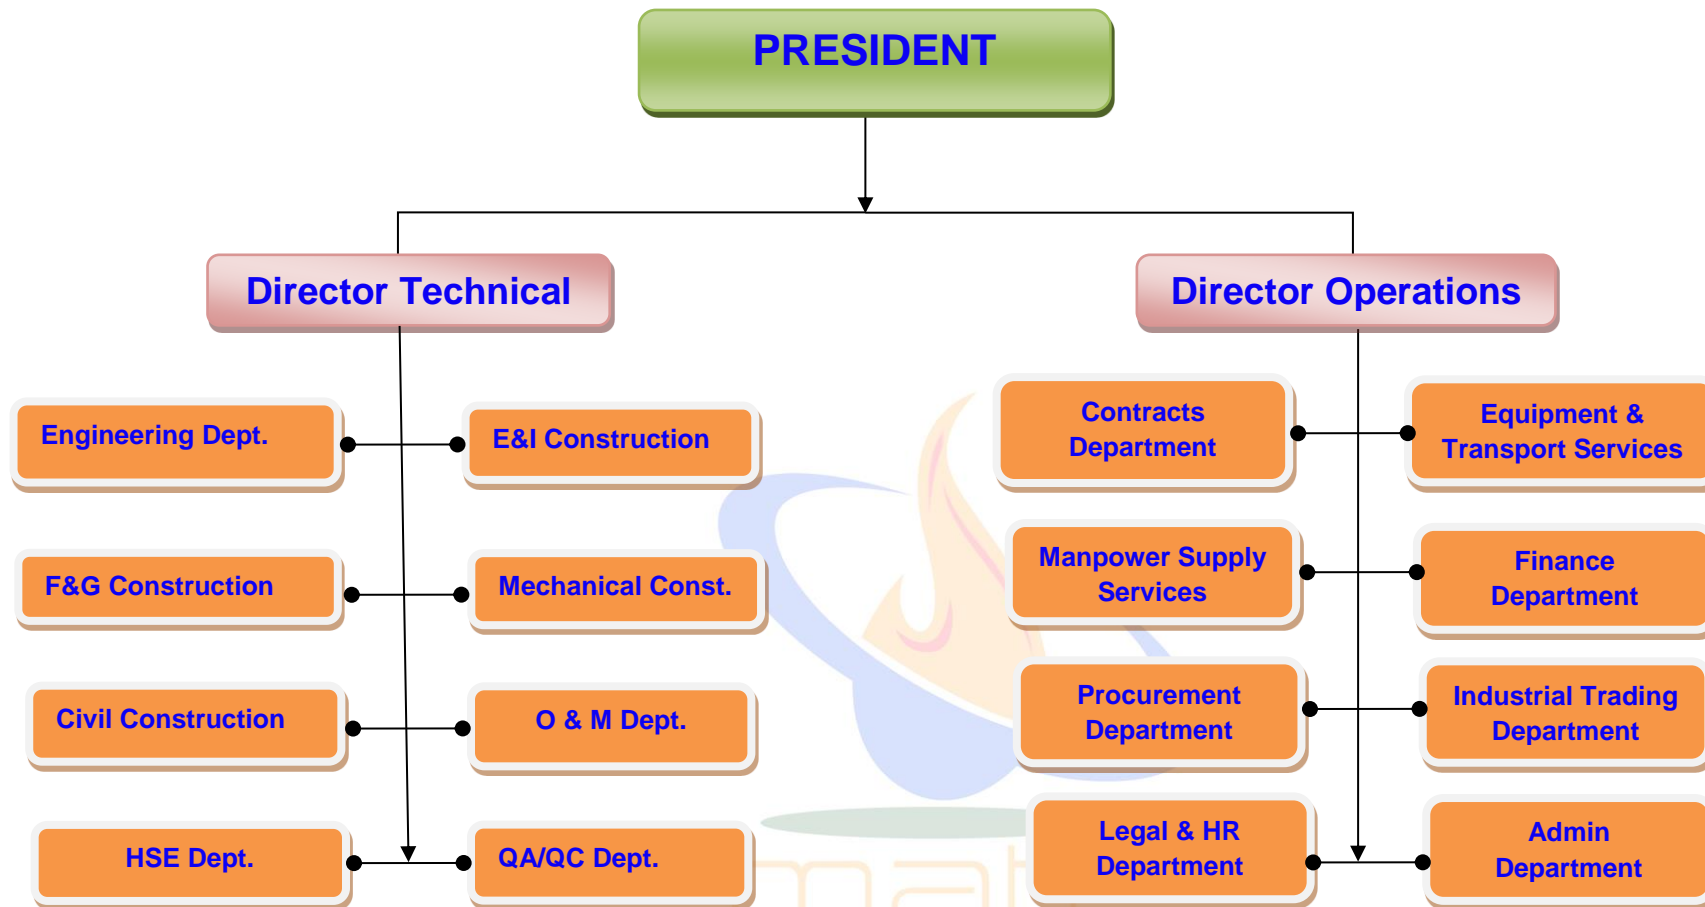

We value the importance of our relationships and will continue to remain fair and true in our dealings with all employees, clients, vendors, and partners. Our clients count on our dependability, our drive, and our integrity. We take great pride in our accomplishments and build on them every day.

Facilities Maintenance

## Electrical:

**ARABIAN MATE** has capacity, capability, and experience to perform all Electrical works in Oil & GAS, Chemical, Petrochemical & Power sector. Design, engineering, supply, installation, Termination, Testing, commissioning and maintenance of:

- Distribution Boards & Control Panels.
- Lighting points & Light fixtures.
- Transformers.
- HV, MV & LV Cables.
- MCC & IRP Panels.
- Sub-Stations MV/HV.
- Illumination Survey.
- Electrical Heat Tracing.

## Instrumentation & Control:

**ARABIAN MATE** Instrumentation & Control division undertakes Design, Engineering, Supply, Installation, Calibration, Termination, Testing, and Loop checking of all types of Instruments & Control System equipment's for various medium and heavy industrial projects in Oil & Gas, Chemical and Petrochemical plants.

Our Services Includes:

### Filed Instruments.

- Pressure Instruments.
- Flow Instruments.
- Level instruments.
- Temperature Instruments.
- Vibration Instruments.
- Humidity and Analytical Instruments.
- Instrument & Control Cables.
- Local Control Panels & Junction Boxes.
- Pneumatic and Process Tubing.
- Cable Tray and Conduits.
- Flow & Custody Transfer Metering Skids.

### Control System & Equipment's

- Installation, Wiring, Testing and Commissioning of following Control systems.
- PLC
- DCS
- ESD/PESS
- VMS
- HMI & Consoles
- SCADA & RTU
- Marshalling & System Cabinets.

## Fire & Gas System

**ARABIAN MATE** provides complete Design, Engineering, supply, installation, Testing and commissioning of Fire & Gas System for Industrial Plants, Commercial Buildings and Camps.

Our Services Includes:

- Fire & Gas Alarm system.
  - Gas detection System.
  - Smoke detection system.
  - Heat detections System.
  - Flame detection System.
- 
- F & G Panel

## CCTV & Telecommunication System.

**ARABIAN MATE** provides complete Design, Engineering, supply, installation, Testing and commissioning of CCTV & Telecommunication System for Industrial Plants, Commercial Buildings and Camps.

Our Services Includes:

- CCTV
- PAGA
- PABX
- Sound system.
- Access control.
- Security systems.
- Fiber Optic Cabling
- Patch Panel & pigtails

## Mechanical & Piping

**ARABIAN MATE** Provide complete Design, engineering, fabrication, supply, installation, testing, Commissioning and maintenance of:

- Process piping (aboveground/underground).
- Shop fabrication of piping spools
- Up gradation & refurbishment of plant piping at site including piping supports, structure & foundation repair works.
- Replacement of defective spools, valves.
- Installation of major equipment including storage tanks, pumps, generators, motorized skimmers, sand traps & interconnecting piping network.
- HVAC & plumbing works including fabrication of ducts.
- Plumbing, hydraulic piping.
- Assembly line, conveyor, robot, automation and machine utility piping.
- Retro-fitting.
- Gas, oil & water pumps / stations, equipment, valves, gas-oil-water tanks.

## Civil & Structure

**ARABIAN MATE** Civil division undertakes Erection / Installation services for various projects.

- Industrial Construction Works
- Earth Moving / Reclamation: Site Preparation, Surface Stabilization
- Road Construction
- Industrial building & steel buildings
- Design and Drafting
- Masonry Works
- Concrete foundations for plant heavy equipment and Pipes
- Gravel and Concrete Paving
- Surveying

## Operation & Maintenance Services

**ARABIAN MATE** will provide all qualified personnel & equipment for the operation & maintenance and Turn Around and Shutdowns of plants & facilities.

**ARABIAN MATE** realizes that safety and quality are of the utmost importance when a client has entrusted you with their Operation & Maintenance.

We know that clients need the same level of commitment and innovation to ensure the highest calibre of performance.

**ARABIAN MATE** has expertise in meeting resource requirements for Operations & Maintenance. You can be assured that partnering with us will bring you the expertise needed to exceed your expectations and deliver the results you desire.

**ARABIAN MATE** offers complete operations and maintenance services for Short & Long Term Plant Maintenance Services for all disciplines. Mechanical, Civil, E&I, T&I, Plant Turn Around and Shutdowns to the oil and gas, Chemical, petrochemical and Power industries.

- Shutdowns and Turn-around (T&I)
- Operations and maintenance support
- Infrastructure, facility, and pipeline maintenance
- Instrumentation Installation and maintenance
- Electrical installation and maintenance
- Insulation and sheet metal work
- Pipefitting and welding
- Wellhead maintenance and well work support

## Industrial Supports Services.

**ARABIAN MATE** have an excellent track record in providing competent technical and professional workers and wide range of Equipment to major clients in the Kingdom of Saudi Arabia belonging to Oil & Gas, Refineries, Petrochemicals, and Power Generation/ Distribution sectors. We have the edge in understanding and serving better our clients' manpower & equipment requirements

## Skilled Manpower Services

**ARABIAN MATE** provides qualified, certified and experienced manpower in all discipline to cater your needs. We have a rich experience of sourcing and supplying highly skilled industrial manpower with focus on Engineers, Technicians and Secretarial Staff.

Our scope of services extends to the following crafts:

- QC Manager
- QC Supervisors (Civil, Electrical, Mechanical, E&I, Telecommunication and Procurement)
- QC Inspectors (Civil, Electrical, Piping, HVAC, Rotary Equipment, Static Equipment, Plumbing, RTR, Painting & Coating, E&I, Telecommunication)
- HSE Manager
- Secretaries
- Document Controllers
- Site Engineers
- Site Supervisors
- Planning Engineers
- HSE Officers
- General Workers/Labor

## Equipment Rental Services

We have an entire range of heavy construction machineries & services ready at your disposal. We own & operate a fleet of heavy equipment which is provided directly under our clients' control on hourly, daily, weekly and monthly rate basis.

Our Equipment Rental Division provides equipment rental services through a network team, and with its equipment fleet.

### Equipment Fleet

- Crane
- Truck
- Man lift
- Forklift
- Welding Machine
- Generator
- Trailer Truck
- Tower light
- Welding Machine
- Compressors
- Asphalt Pavers
- Drills
- Earth Moving Equipment
- Compactors
- Excavators
- Pumps
- Shovels
- Hammers
- Vibrator
- Skidders
- Wheel Loaders.

## Transportation

**ARABIAN MATE** also providing the pick and drop facility to the official staff and industrial plant labours. We are also capable to provide the transportation to the in Dammam, Alkhobar and Jubail Industry on monthly and year's basis after signing the contract.

## Industrial Material Supply

**ARABIAN MATE** offer all kinds of materials related to the oil, gas and petrochemical industries. We can offer a complete procurement and supply service for a wide range of Electro-Mechanical industrial materials such as Cable Tray & Fittings, Cable Conduits & fittings, Instrument Air & process Tubing and Fittings, Cable Gland & wiring accessories, Pipe & fittings, Valves, Hoses, Paints, Abrasives, Tools, Safety Items, Welding Products, and Building Materials etc.

Our Main motto is the entire satisfaction of our customers that meets their requirement both in quality and price. Our material sourcing experts are ready to source any item as per the customer specification. Due to our excellent experience, expertise we strongly believe we can help you find the perfect product solution for your requirements. All are approved by major consumers like SABIC, Saudi Aramco, Marafiq, SCECO and others products with meticulous care, making full use of the latest technology so that we can fully satisfy customers and obtain their trust.
